BARNEY’S PRAIRIE CHRISTIAN CHURCH

Ministry of Local Congregation: We visit the assisted living and nursing home in Mt. Carmel, IL, once a month. At that time a short meditation is given. The rest of the time is spent singing hymns. The residents seem to thoroughly enjoy it. Some of their relatives see us outside of the facilities and tell us how much the relative enjoys it. People who do not, are unable to, or whoever have not attended church hear God’s word.

In addition, we just celebrated our 195th anniversary of continuous service to God.

RUSHVILLE SUMMER MEALS PROGRAM – First Christian Church

On behalf of the Illinois Coalition for Community Service, I would like to personally thank you for your contribution to utilize your facility towards our free Summer Meal Program. This program could not have been a success without your contribution. I also would like to extend our thanks to your church leaders for making it possible to use the church facility to host the program. Please extend our greatest gratitude to them. Furthermore, special thanks to Karen, Suzanne, and Judy who were excellent individuals to work with during this time.

ICCS’ mission with Summer Meals is, and always will be, about feeding children. Our partnership with the USDA and Illinois State Board of Education is also recognized and deeply appreciated. However, there are significant costs that ICCS incurred to sustain the program. It is for that reason why we are grateful to the many volunteers who like us, want to see communities and youth thrive.

Over the course of last summer, ICCS provided 33,000 meals at 33 sites across the state. In comparison, this summer over 58,000 meals were served to children in 52 sites during the summer months. Our goal was to serve, at minimum, of 52,000 meals across the state of Illinois during summer of 2014, we went over our projected goal and you made this achievement possible this summer.

Once again, ICCS thanks you for your efforts and contribution of time! Thanks for helping to make our program a wonderful success for your community. I look forward to working with you all in the coming year.

Sincerely,

Ricardo Montoya Picazo

2014 Christmas Offering Supports Regional Ministry

The Regional church is about connections, about relationships. Fellowship groups in our Region help us connect with God and one another—creating holy moments that enrich us for a lifetime. Here are some testimonies—

Clarissa Johnson, a camp alumnus and Regional Youth Council member writes—Camp has been my spiritual recharge every year since I began going. The more long term impact is the great morals, values, and genuine friendships that are made. Coming from the generation who has been accused of deteriorating the church numbers and wreaking havoc on the moral code of society, it is imperative that we keep a good core group of youth who are hungry for the bread of life and wanting to know more to always actively engage in their faith walk. One of the most sacred places that I feel most connected to God is sitting in the pew of the outdoor sanctuary at Camp Walter Scott. If home is where the heart is, my home would be at that very spot.

And Vickie Nevius, from the Disciples Women’s Cabinet, writes—Disciples’ Women Ministries is about helping a woman to be the person that God has called her to be. This is done through education, spiritual enrichment and fellowship.

As Disciple women we endeavor to be aware of what is happening in the world and to help bring justice where we can by educating ourselves. We study the scriptures to learn what God is calling us to do and to deepen our relationship with the holy. We gain strength from the fellowship of our sisterhood as we strive to be the bodacious women God is calling us to be.

Thank you for giving as generously as you are able to the ministries we share through the Christian Church (Disciples of Christ) in Illinois and Wisconsin. Your gifts make a difference!
On the Eve of the 165th year of Ministry for the Christian Church (Disciples of Christ) in Illinois and Wisconsin

I have been pondering how the Christian/Disciple movement with our polar star of unity had its beginning in the midst of the time that led up to the American Civil War. It is a great paradox, but isn’t that always God’s way. More recently, I attended a 50-anniversary celebration for one of our churches. They, too, were lifting up Unity, Liberty, Love: “In essentials, Unity. In non-essentials, Liberty; In all things, Love.”

The foundations of our faith movement call us to recognize that we can and will hold different opinions on many things, but that our unity—that Jesus prayed for—was essential. Our founders believed that, “if we could find the one true biblical answer to the fundamental questions, we would come together around one Table in Jesus’ name.” They were believers. They were dreamers. They had vision. And, they were tired of brokenness in the church, and longing for love—the kind that creates a common bond.

It’s the kind of dream that has the power to motivate and inspire far and wide. It’s the kind of dream that has the power to motivate and inspire the world. Our unity is in the loving welcome we humbly receive, and in the loving welcome we humbly give.

The Disciple of Merit award is the highest honor given by the Christian Church (Disciples of Christ) in Illinois and Wisconsin in recognition of outstanding service to the congregation, region and the general church. Retired clergy and lay leaders of any age are eligible. The Regional Board of Directors chooses the recipients. This year we recognize Rev. Nancy Stump and Rev. Burley and Martha Herrin.

Nancy Stump has always found the most creative ways to serve local congregations and the Region of Illinois and Wisconsin, Disciples of Christ, and the NBA. In 1987, the administration of Barton W. Stone Christian Home in Jacksonville invited Nancy to volunteer at the National Benevolent Association facility as a chaplain. In an effort to be the very best volunteer possible, Nancy worked inside the structure of the Region and with Memorial Hospital in Springfield to receive both basic and advanced chaplaincy training. In 1988, Nancy’s work was recognized and rewarded when she was invited to be the facility’s full-time chaplain.

During the twelve years of service at Barton Stone Home, Nancy worked with each home church to keep strong the bonds that had been built between resident and congregation. Nancy came to be seen as an extension of that continuing care as she would invite and encourage home churches to come and visit the campus and bring the Sunday afternoon chapel service. Also, to further lift up the sense of being a part of the Region, Nancy utilized the Home’s location and resources to host CWF events and cluster minister gatherings.

Nancy was very much aware that the resident was not the only human factor in the Barton Stone equation. With the hiring of new or additional staff, Nancy was asked to help each employee to understand and relate to the aging process and the eventual passing of the resident. Many times, for young staff members, Nancy’s words of insight, guided the actions of the caregivers; before and at the end of a saint’s life.

Because of Nancy’s compassion and love for the Home, she was invited by many congregations to fill the pulpit. She accepted each opportunity eagerly, traveling in all seasons to share and to hone her preaching skills.

One might think having a regional or retired minister in the congregation may be intimidating. This is far from the truth when the retired minister and spouse are Burley and Martha Herrin. A congregation and minister could ask for no greater support than what the Herrin’s provide. Burley and Martha joined the Marshall Avenue Christian Church when they were at Camp Walter Scott and Burley was camp manager and an associate regional minister for the southern part of Illinois/Wisconsin.

They have volunteered in all areas of the church life from teaching Sunday school to helping with the back to school carnival, Burley was in charge of the Nose Picking game. Both have helped with pulpit supply when the minister has been on vacation or sabbatical. The church can always count on them to help with food and refreshments for special dinners or social hours. Martha participates in the Knitting and quilting circle and encourages us to read the anti-racism pro-reconciliation book each year. She is the church treasurer and on both the ministry team and the resource team. Burley is an Elder in the church and on the Pastor/Parish team. He often has sage advice for the congregation but generally offers only when asked. Any congregation would benefit from having a couple as devoted to the church and its life as Martha and Burley Herrin. Martha is a Core-Trainer for the General Church Pro-Reconciliation/Anti-Racism initiative, and works faithfully on our CCIW PRAR Team. Burley is a Coach for HOPE Partnership and for CCIW helping congregations and Pastors in the transformation process. They are a blessing.
Moderator's Message

It is a distinct privilege and pleasure to serve as your new moderator of the Christian Church in Illinois and Wisconsin in this time and space. We have been living into our new constitution, actively working toward “Together Making Disciples of Christ” and continuing to be a “movement towards wholeness” in a broken world. We are indeed Disciples (disciples) of Christ.

Your Council has served the Christian Church in the Illinois and Wisconsin region with specialized expertise, diligence and passion. We have lived into our new “lean” model of a smaller council, embraced the use to technology, balanced the budget, and supported the ministries of well-established churches, transforming churches and churches in formation (i.e. new starts). Our regional staff has worked with excellence and compassion in the execution of their ministerial duties.

I am very thankful for the level of leadership represented in our region and thank each member for his or her commitment to the continued success of our region. I value your time, talent and treasure. Your commitment to the overall stewardship of the church is commendable!

We celebrate a rich history of celebrating our success as being co-laborer in Christ together. Can you imagine the accomplishments of approaching 165 years of ministry? Can you dare to dream of the potential of what will happen, if we all accepted the call of being fully engaging disciples of Christ? Can you envision the power of this movement in transforming lives? I am challenging you to embody discipleship in its fullness and richness. I am challenging you to envision the future in which Christian Unity comes to fruition through our personal and collective commitment. I am challenging you to plant for the future by continuing to be a “movement towards wholeness” in a fragmented world! Let’s SOAR into the future!

God’s blessings and peace,
Rev. Cheryl P. Jackson

New Day 2015

Congregational Transformation in CCIW  
A Two-Year Process of Being Faithful to God

New Day is an offering of the Regional church to help your congregation. We work with congregations to create an atmosphere open to God’s transformation. Together we pray, we listen to God, we take risks, we experiment with new ideas, we let go, we focus on ministry opportunities outside and inside the congregation.

We are on a spiritual journey and God is guiding our path. Our current reality might be marked with decline and frustration. If we will invest in deepening our relationship with God and one another, new perspectives can be opened. A vision of God’s next chapter for us can be revealed. We have the courage to try something new and learn from our experiences. New opportunities and new ideas come to us and feed the life of the community and the church. We see what can emerge in our ministry context and who we are created to be.

It’s not about a dying church, it’s about new life and a commitment to a change for the better. For many of us, the old way is not working. We have lower worship attendance and lower giving in the offering plate. It’s time for something better! When we tap into God’s loving power, things change. Lives change. Commitments change. Churches change. Again, it’s a change for the better – one we can handle, one that can bring us joy.

New Day is a new approach to congregational transformation. Driven by deeper spirituality, enriching partnership and ongoing support, churches find their path to a faithful future. We open ourselves to possibilities we haven’t seen before – opportunities that fit who we are and where we live. They call on our best gifts, the gifts God has given us to serve.

There will be training/retreat gatherings for church leaders to get the process started, monthly coaching calls for the ministers, and follow-up events to hear about progress and offer more resources. The Regional church is making a huge commitment to help in congregational transformation.
