RE: Mission First Grant request for MOM's Sumer Camp

Rev. Dr. Teresa Dulye-Parker
Urban Metro Area

We are in our third year of planning the MOM's Summer Camp for children of the Parkway Gardens Homes complex and thus are applying for financial assistance.

The MOM's program is housed on our campus and is now an ongoing ministry of our church. Our program runs for eight (8) weeks during the summer months to provide a safe haven for 50 of the 100 children of our community. The program runs six days a week from 3 – 6 p.m. between June 26, 2017 and August 26, 2017. It involves social activities, community awareness and other skill building games. There are field trips that give the children a chance to exit their regular surroundings to enjoy more positive environments.

Our community has recently been targeted by the media as an unsafe area for children to be reared due to high gang and other criminal activity. We have partnered with several community organizations to address this problem. The MOM's program is the brain child of several of our members who live in the apartment complex adjacent to our campus. Last year was a tremendous success and we are looking to continue this vital outreach to the community.

I have attached a copy of the proposed budget for the program.

Thank you in advance for your kind consideration.

Yours by His Grace,

Edward J. Morris Sr.
