LAYING THE GROUND FOR THE CONFERENCE

Music and worship draw a congregation into a faith experience and connect both the emotional and mental aspects of their faith. Often music is expressed in terms of “favorites” and the connection takes second place. New styles of music can help to re-establish that connection in ways that strengthen faith

For that reason clergy are invited and encouraged to invite a lay member to share in the presentations and the beginnings of new experiences of faith. To encourage lay participation the fee has been reduced to \$95.00 which includes materials, breaks, Wednesday dinner and Thursday lunch.
