

I had a lot of expectations about what was going to happen this year. I have begun to realize that everything I thought was going to happen was my plan. But everything that has happened is God's plan. I know that I am right where I am meant to be.

Kim Guy, XPLOR Resident 2014-15

The NBA XPLOR Project is a ten-month residential service opportunity for young adults, ages 21-30, who want to explore lives of faith and service. We provide opportunities to serve in cities across the United States, while offering Residents housing, a small living stipend, vocational support, career development, travel opportunities, and more.

The Four Cornerstones of the XPLOR Project are:

- **Hands-on Service/Justice Work:** Working in and among neighborhoods to empower local mission efforts while gaining awareness of systems of injustice.
- **Simple Living in Community:** Learning and practicing faithful, intentionally simple and culturally competent communal living.
- **Spiritual Discernment on Vocation:** Striving through spiritual disciplines to discern the purpose for which one's soul is made.
- **Disciples Leadership Development:** Living out one's Disciples identity and unleashing one's leadership capacity.

Without naming all the natures of diversity, XPLOR is committed to the cultivation of a widely diverse population living in all XPLOR Houses.

Prayer: God of Growth and Goodness, You call us to have hearts of care for your Creation, and you dazzle us with your heart of care for all that you have created and called good. Yet we know well the realities of want for compassion and justice and mercy and truth—in our own experience and among those in our communities. Help me to be your Disciple, and to follow where you lead me to serve. Amen.
