## Guatemala 2016

### People to People Pilgrimage

Friends, the CCIW Region has had five years of great and positive relationship with our Guatemalan Mission partners Nora Colomo and Vittalino Similox from Concejo Ecumenico Cristiano de Guatemala (The Ecumenical Council of Guatemala) We have taken a total of three pilgrimages, and the both the journey and education have been enriching and life altering. April 10-15, 2016 we will make our fourth journey. There is an invitation for five persons ready to have a cross cultural experience to join this delegation.

#### The Purpose:

To take a look at human trafficking in the United States and Guatemala. Conduct a research about the theme, seen from a United States perspective. What is at stake? Which are the root causes, the consequences in terms of human rights, dignity and ethics, among others.

Guatemalan women can then have their own research process about human trafficking from their point of view. They can also share with their churches about their findings. Sharing common goals and dreams from each others' reflections and research. To see the similarities and the differences in the approach to the theme.

To work together towards a solidarity initiative where you can work together with pastoral accompaniment, advocacy and presence on both places (US and Guatemala).

**The Dates:** April 10-15, 2016

**The Costs:** Approximately \$2,500.00 per person

**The Firm Deadline:** January 30, 2016 (Application and Deposit must be into the Regional office on this date) No exceptions.

Must be in good physical condition. (Must be able to walk over 1 mile)

Please be advised that the immunizations needed for Guatemala can be received by your private physician or our Local Health Department. These immunizations can be pricey. Please factor this in when planning. (Check our website for more of an update on immunizations)

## New Day 2016 Congregational Transformation in CCIW – Coming Soon

**New Day 2016** is an offering of the Regional church to help your congregation create an atmosphere open to God's transforming power. Together we pray, we listen to God, we take risks, we experiment with new ideas, and we focus on ministry opportunities outside and inside the congregation. We are on a spiritual journey and God is guiding our path.

Each congregation has its own unique experience of transformation. In this two-year process, there will be training retreats for church leaders to get the process started, monthly coaching calls for the ministers, and follow-up events to hear about progress and offer more resources.

**New Day is a new approach to congregational transformation.** Driven by deeper spirituality, enriching partnership and ongoing support, churches find their path to a faithful future. This is not a cookie cutter program. Congregations with similar interests and similar callings can work together. The Regional church is making a huge commitment to help with congregational transformation. This could make a big difference in the life of a congregation!

**What outcomes do we expect?** We'll experience spiritual transformation as individuals and as a congregation. We'll be clear about our purpose as a church, our focus will change and we'll share God's love in new ways. We'll be able to tell story after story of lives that have been changed through our ministry together.

**What will it cost?** The Regional church is willing to cover the costs of programming and leadership for the training retreats and other meetings for New Day 2016 – keynote speakers, trainers, resources, staff, etc. We ask the congregations to pay for their room and board for the events and for the monthly conversations with their transformation coach.

New Day will be starting in the first quarter of 2016. Contact us soon to get on board.

★ **Let's Celebrate! 175 Years!** ★

In this time in which it is difficult to find good news, outside of the pages of the Bible, we join in congratulating the First Christian Church (Disciples of Christ), Princeton, IL in celebrating 175 years as a congregation! On Sunday, October 4th, they marked their 175th anniversary as a congregation in a service of worship at Veteran's Park in Princeton.

In 1840 a group of 14 individuals resolved to form themselves into a congregation of Disciples of Christ in Princeton. They began meeting in one another's homes, in a local school house, and in a room above a candy store. Within a few short years, they had grown enough to construct a church building. During those early years the church was visited by none other than Alexander Campbell and by James Garfield, among many others.

Though the original church building no longer stands, the foundation of faith in our Lord Jesus Christ remains the cornerstone of the congregation.
